

**Crystal (Rogers) Freemon**

**BSIE 2000**

[crystalsaccount@yahoo.com](mailto:crystalsaccount@yahoo.com)

Crystal grew up in Elizabethton, TN and graduated from Unaka High School in 1995. She received her BSIE in May 2000 and began work for General Motors in Pontiac, Michigan as a Supplier Quality Engineer. Crystal received a Masters of Science in Manufacturing Operations from Kettering University in 2004.

In August 2003, Crystal married Bruce Freemon (BSIE 99). The couple moved to Spring Hill, Tennessee in December 2003 when Crystal was transferred to GM's Saturn Plant in Spring Hill. Crystal currently works at the Spring Hill Plant working as a Quality Engineer launching the new [2009 Chevy Traverse](#). Crystal is an ASQ Certified Quality Engineer.

Bruce and Crystal have two daughters; two year old Megan and baby Kayla and currently live in Spring Hill.
